## Auditor's Report 2015

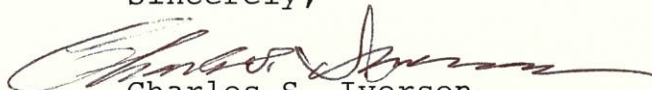

Dear Friends:

As the auditor appointed for the calendar year 2015, I have had occasion to examine the financial records of the Treasurer of the church, Mrs. Deb Toro. The records appeared to be in proper order and reflective of the financial activities of the church during the year 2015.

I also had the occasion to examine the records maintained for the Reading Room by Mrs. Margaret Hansen, under the aegis of the Librarian of the Reading room, Mrs. Patricia French. Those records appeared to be in proper order and reflective of the financial activities of the church's Reading Room during the year 2015.

All of those members who were responsible for the maintenance of the church's finances, including the members who contributed financially to the operation of the church's budget, are to be congratulated and thanked for their outstanding participation in our church's affairs.

Sincerely,

Charles S. Iversen  
Auditor
